

LUCREZIA RAMPAZZO

✉ lucrezia.rampazzo@studenti.unitn.it | [in](#) LinkedIn | [GH](#) GitHub

EDUCATION

- 2024 - in itinere University of Trento, M.A. Sociology and Social Research
- 2021-2024 University of Trento, B.A. Sociology (*Summa Cum Laude*)
Thesis: *Qualis pater, talis filius? Prospective Social Mobility in Italy*

RESEARCH INTERESTS

Social Inequalities, Education, Intergenerational Mobility, Social Stratification, Family Formation and Dynamics, Early Childhood, Life-Course

PRESENTATIONS

- 2025 **Third International FReDA User Conference**
Presentation: *Parental Divorce and Children Educational Attainment: The Moderating Roles of Divorce Timing and Gendered Institutional Contexts*
- 2024 **Equality of Opportunity and Intergenerational Mobility: A Global Perspective**
Presentation: *Prospective Social Mobility: Evidence on Italy*

RESEARCH EXPERIENCES

- 2025 **Research Internship - Parental Divorce and Children's Educational Trajectories**
University of Trento, Department of Sociology and Social Research, Trento, Italy
Supervisors: prof. Stefani Scherer
- This empirical research focuses on the understanding of the consequences of parental divorce on children's educational pathways across countries and birth cohorts, employing GGS and FReDA data and a multilevel design.
- 2024 **Research Internship - Prospective Educational Mobility in Italy**
University of Trento, Department of Sociology and Social Research, Trento, Italy
Supervisors: prof. Stefani Scherer, Dr. Davide Gritti
- This empirical research focuses on educational and social mobility using longitudinal data from the Bank of Italy - SHIW (Survey on Income and Wealth). Data preparation, consistency checks, literature review, advanced statistical analysis, methodological comparison of retrospective and prospective designs and estimates. Developed skills in longitudinal data analysis, advanced Stata coding, conceptual diagramming and research paper writing.
- 2023 **Internship - Research Coordinator**
University of Trento, Department of Sociology and Social Research, Trento, Italy
Supervisor: prof. Andrea Cossu
- Coordinator of the data collection process and main investigator of the research group for a study on universities' communication and recruitment strategies. Developed a codebook for systematic data collection, conducted quantitative analysis to understand trends and compare institutions, defining strategies for future implementation.

WORKSHOPS AND TRAINING

- 2025 **Trento School of Applied Quantitative Research, TN-SQUARE**
Employment and Mobility over the life course in changing societies
- 2025 **Life-course Research and Longitudinal Data Analysis**
(University of Trento)
- 2024-2025 **Fertility in Comparative Perspective** Funded by Euregio
(University of Trento, University of Bozen & University of Innsbruck)

SKILLS

Languages	Advanced proficiency in English (CEFR Level C1)
Statistical Softwares	Advanced Stata, Intermediate R
Methods	Quantitative Methods, Longitudinal Data Analysis (Panel data, FE, FEIS, Event History, Growth Curves), Multilevel modeling
Digital Skills	LaTeX, Tikz, Lime Survey
