RESEARCH EXPERIENCES

- September 2026 – present **PhD Researcher** (*SNSF-funded*)
University of Lausanne, Institute of Social Sciences (SSP), Lausanne, Switzerland
As part of my PhD, I am working on the STRATUS project ("The Social Stratification of Time: Investigating Inequalities in Time Use through a Swiss Diary Study") analysing social inequalities in time invested in parenting for children's development.
- April 2026 – June 2026 **Visiting Researcher**
WZB Berlin Social Science Center, Berlin, Germany
Dynamics of Social Inequalities, Labour Market and Skill Formation Department
Part of my Master's thesis, focusing on the intergenerational spillover of parental job loss on children's educational trajectories, comparing the UK and Germany institutional systems, using longitudinal data from BHPS/UKHLS and SOEP and a counterfactual design.
- Feb. 2025 – Dec. 2025 **Research Internship: Parental Divorce and Children's Educational Trajectories**
University of Trento, Department of Sociology and Social Research, Trento, Italy
Supervisors: prof. Stefani Scherer, prof. Ruud Luijkx
This empirical research focuses on the consequences of parental divorce and the relevance of maternal resources on children's educational pathways across countries and birth cohorts, employing GGS and FReDA data and a multilevel design.
- Feb. 2024 – Dec. 2025 **Research Internship: Prospective Educational Mobility in Italy**
University of Trento, Department of Sociology and Social Research, Trento, Italy
